

Twisted Flicks Fact Sheet

What: America's only live improvised B-Movie redubbing show, created right here in Seattle. Twisted Flicks is a showing of a fun old "B" movie (e.g. Creature from the Black Lagoon, Santa Claus Conquers the Martians) on our full-sized movie screen. We turn off the sound, and a talented team of improvisers with microphones creates all new dialogue for the characters in the movie LIVE - completely improvised, and utilizing suggestions from the audience. The show is a mixture of live improv - like JET CITY IMPROV - and Mystery Science Theater 3000. Put the two together and you get Twisted Flicks, America's only improvised movie experience, now in its 15th year!
